

GUIDE TO FRONIUS WARRANTY EXTENSIONS

/ When you buy a Fronius inverter you know that you have invested in peace of mind by purchasing from a family-owned business with more than 75 years of innovation. As well as complete PV system solutions, we offer individually tailored and affordable warranty packages, which can now be extended up to 15 years on Fronius Solar.web.

/ Below we show you what the Fronius warranty options are, and just how easy it is to extend your warranty.

FRONIUS WARRANTY OPTIONS

/ PATHWAY 1

/ 5 YEARS FRONIUS WARRANTY PLUS - YEARS 1 - 5

All Fronius SnapINverters, GEN24 and Tauro Inverters come with five years Fronius Warranty Plus, which covers the cost of transport (within Australia), labour and materials in warranty cases.

/ 5 YEARS FRONIUS WARRANTY - YEARS 6 - 10

Under the current 5+5 year warranty promotion an additional five years Fronius Warranty (parts only) can be claimed for free for SnapINverters, GEN24 and Tauro Inverters installed before December 31, 2023, upon registration in Fronius Solar.web within 24 months from installation.

/ 5 YEARS FRONIUS WARRANTY - YEARS 11 - 15

Now you can purchase an additional 1 - 5 years Fronius Warranty, as long as your existing warranty has not expired. You can purchase at any time, and you can purchase one year at a time, or all at once.

THREE BUSINESS UNITS, ONE GOAL: TO SET THE STANDARD THROUGH TECHNOLOGICAL ADVANCEMENT.

What began in 1945 as a one-man operation now sets technological standards in the fields of welding technology, photovoltaics and battery charging. Today, the company has around 3,800 employees worldwide and 1,242 patents for product development show the innovative spirit within the company. Sustainable development means for us to implement environmentally relevant and social aspects equally with economic factors. Our goal has remained constant throughout: to be the innovation leader.
